Dear Sr. Corinne & Friends,

As you are probably aware, the Diocese of Richmond, Virginia has established a relationship with parishes and ministries in Hinche. It is hoped that we might promote awareness of your ministry and might offer help to you in anyway that we can. Our parish here in Roanoke, Our Lady of Nazareth, has been fortunate to be assigned to your Normal School as your "Twin" in ministry. We are anxious to get to know more about you, your needs, and the ways in which we might help you carry on your valuable ministry.

We are a large, suburban parish of about 1400 families. Our pastor is Fr. Ken Stofft and we have several staff members. Adele DeLaValle is our Pastoral Care Minister and she has visited your school in the past. She sends her greetings to all of you and especially to Sr. Siliane Voyard, whom she talked with when in Hinche. Our parish is quite active in a variety of ministries, but we were especially interested in establishing outreach to you as a sign of our belief in God's call to offer assistance where it is needed.

We would appreciate the opportunity to help you minister in any way that you need. Please let us know about your school; the number of students you have, the work that you do, the people with whom you work and more! What are your needs?

We will be sending a package to you shortly that contains photographs and other information about Our Lady of Nazareth and Roanoke, Virginia. Know that our prayers are already with you and your work. We are anxious to establish a friendship with you and to help you minister.

God be with you.

Your Friends at  
Our Lady of Nazareth
