Practice will not be held in the event of inclement weather. In addition to sending group emails to the team, coaches will use the Remind app to notify the team through text in case of a necessary reminder, last minute cancellation, etc. To sign-up for text message alerts, send a text to 81010 with the message @olntetras Please call the pool if you are unsure if a practice will be held.

Requirements and Fees

*****For safety reasons, in order to be on the swim team, swimmers must be able to jump into the deep end unassisted and swim the full length of the pool. Coaches will evaluate swimmers during the first 2 weeks of practice and determine if they are ready to participate on the team.*****

****All three of the following fees are required in order to participate on the swim team****

1) Swim Team Dues: \$70.00 per child (payable online via <http://oln-tetras.square.site/> or by check to "OLN Swim Team"; this fee includes team and City/County registration, trophies, coaches' salaries and gifts) and is **due by Tuesday, May 28**; families with more than 3 children swimming will be charged only \$25 for each additional swimmer. **Adult Swimmers:** \$55.00 (this covers team and City/County registration)

Please note: Swim Team dues will be \$75.00 per child if paid after Saturday, June 1. Swimmers may not practice with the team after June 1 until dues are paid.

2) RVAA Registration: RVAA registration is completely on-line and must be completed **by May 26 in order to be eligible for points and ribbons in the first meet**. The link is accessible at the website (<https://www.teamunify.com/reczzrvaa>). RVAA dues are \$30 per swimmer if paid **by May 28**, and \$35 per swimmer thereafter. Late registrations are available until **June 28**. Swimmers **cannot** participate in meets if these dues are not paid. Please note that registering with the RVAA does not register you with our team (2 separate registrations are required).

**Note swimmer's status will remain "Pending Approval" until June 6th if they register on or before May 5th. Swimmer's registering after June 5th will have a "Pending Approval" status for up to a week.*

3) Pool Membership: The RVAA requires that all swimmers for a particular team be **registered members at that pool**. Pool membership forms have been mailed to last year's members. New members may obtain membership applications through the church offices, parish website (www.oln-parish.com), or at the pool starting Saturday, May 25.

Optional Fees

Team Suits: Our primary team suit is the same as last year; black with purple, black and white; for females, it has thick straps. Female suits are \$47.99 and male suits are \$35.99 plus tax. Suits must be ordered **by May 18** to be available for the first meet. Embroidery is possible for an additional \$11.50; due to the extra week to do the embroidery, in order to have them before the first meeting, please order **suits with embroidery by May 11**. Suits may be purchased at the Swim Shop at 3214 Electric Road (540-774-2066). Contact Christina van der Linden

(540-529-2988) if you have questions about the swimsuits. Team suits are NOT required to participate in swim meets.

Caps: OLN silicone swim caps are \$15. You may purchase these at swim practice or meets from Ryan Michalski. You may only wear swim caps with the OLN logo or caps that are without logos (plain) during meets.

Team Gear: Every member of the team will receive a t-shirt. Please indicate on the registration form which size is needed for each swimmer. Additional t-shirts will be available to purchase for \$15 each, and you will see space on the registration form to order. Please wear your Tetra shirts to every meet and proudly everywhere else this summer!

Parental Responsibilities

All swim team parents are encouraged to complete the VIRTUS training (a training for the identification and prevention of sexual abuse) when volunteering in activities which include children and youth of our parish. Information about these sessions is available at the OLN Church office. Contact Rita Harris at the church office (774-0066) for more information.

Parents are expected to -

- Work at least 3 of the 6 season meets - Please sign up for your first 3 shifts at <https://www.signupgenius.com/go/8050D45A5A82CA20-48832970-ourlady#/>
- Work at least 1 shift at the City/County meet - To be emailed closer to this date.
- Contribute food for at least one of the three splash parties
- Volunteer and/or bring food to the July 4 party

The Swim Team Committee has established these expectations in an attempt to more evenly share the workload among all swimming families. If a particular family is unable to fulfill these obligations, it is up to that family to find a replacement.

Volunteer descriptions are on RVAA's website (www.swimrvaa.com) under the Volunteer tab. The RVAA schedules several clinics prior to swim season to train workers. These dates and times are published on-line in the RVAA newsletter. Though not mandatory, please consider attending a clinic of your choice. **Our team is in particular need of parents trained to be judges.** Please sign up in the Judges category ONLY if you have completed one of the Stroke and Turn Officials Clinics and passed the online test. If you'd like to be a judge, please attend a ONE of these training sessions:

STROKES & TURNS JUDGES TRAINING	Sunday, May 19	2:00 - 4:00 PM	Hunting Hills Country Club - Clubhouse. Register here: https://forms.gle/ei9L13EbiW15K1P19
STROKES & TURNS JUDGES TRAINING	Wednesday, June 5	6:00- 8:00 PM	

All families are asked to support the team by encouraging your swimmers to come to meets and practices on time. Further, please do not talk with the coaches during practice or attempt to "coach" your children during practice. This is distracting to the coaches and other swimmers. Please let the coaches run the practices and save your valuable input for after practice time.

It is the responsibility of each parent/guardian to review with their child the Tetras Behavior Expectations and Policy provided on the last page. Each person's behavior reflects on our team, our church, and our faith.

The coaches are responsible for swimmers ONLY during their practice time. If a parent is participating in swim practice, please ask another parent to watch your child. The coaches are NOT responsible for children between the end of practice and the opening of the pool. Coaches have the authority to use "time-out" or dismiss a child from practice if his/her behavior is disrupting other swimmers. The Swim Team Committee will support the coaches if this becomes necessary in order to run practice effectively. **Tim Carlin will serve as liaison between parents and coaches. Please discuss any coaching concerns with him.**
